

TEACHERS:

FINE FREE LIBRARY CARDS FOR YOUTH

**MORE
BOOKS**

**MORE
READING**

**ACADEMIC
SUCCESS**

WHY? ACCESS

Access to books and magazines is directly related to higher reading achievement.

Studies show that children who use the library perform better in school.

61% of low-income families have no age-appropriate books in their homes.

Studies show the third-grade reading indicators are a significant predictor of eighth-grade reading level and ninth-grade course performance.

WHAT?

- ▶ Access to eContent:
eBooks • eAudiobooks • eResources
- ▶ Limit of 3 print items for youth
- ▶ No fines
